Hope we see each other before we leave Ole Miss. Let's write letters and keep in touch. Have a great summer. Stay sweet

Phi

Wyn,

Well, the summer is almost over and soon, Monday, school will start. I'm sorry that I didn't get to know you better last year in English, but I'm so glad that we've become friends this summer. You've introduced me to some great people + some bad ones too (just kidding) and you've made my summer CRAZY! I'm sure you know now that I wasn't using your friendship, no matter what they say. Good luck w/ OBK, you are going to be the greatest pledge ever, not including me of course. I'm sure we'll be even better friends by this time next year, if you don't get sick of me first. I'm glad you came out to "Fisherville" and met my friends cause that helped you to understand my craziness. Thanks for the help about you know who and I'm glad things have worked out so good for you + Mike. If any of the good looking guys in Memphis call you looking for my number, give it to them. There are soooo many! But seriously, this summer has been lots + lots of fun. It was great going to DECOM with you + I hope we do it again. Remember my purse! Was it heavy. Shoot all. Well stay exactly the way you are + when you're sixty you'll look sooo good. Stay sweet + cute.

Love always,
Lyn

SENIOR PROPHECY

Through the annals of history, men have wondered what the future holds, constantly searching through the supernatural and bizarre for answers to the worries of future doom or disaster. There have been crystal domes, palm readers, fortune-tellers, and all forms of media used to detect future events. So, using the powers given to those high on the newspaper staff, they have seen into the future, broken the bonds of time, eliminated all worldly barriers, created a piece of ficticious prophecy, and hereby present the true fame and fortune of the Senior Class of 1977.

Sheri Brown and Leslie Cannon are still in college. They should graduate within the next two years. David Perkins, Mike Moffit, and Greg James are now pro football players. Pam Williams, Sondra Wilkerson, and Sue Westmoreland have opened a new Mumselle's clothing store. Bebe Bullock is the only person in history who had the honor of being elected Governor of Tennessee and voted Female of the Year. SENIOR BANQUET

The third annual Briarcrest Senior Banquet was held on April 21 in the Briarcrest cafeteria. The guest speaker was E. Winslow Chapman, Director of Police Service. The Hall of Fame Awards were presented by Tim Clay. A humorous skit entitled ''2001'' was presented by Sally Peters and Peggy Hall. All seniors enjoyed the banquet, and a feeling of sadness occurred when they realized that this was the last time that the seniors would be gathered together for a long time for a purpose such as that.

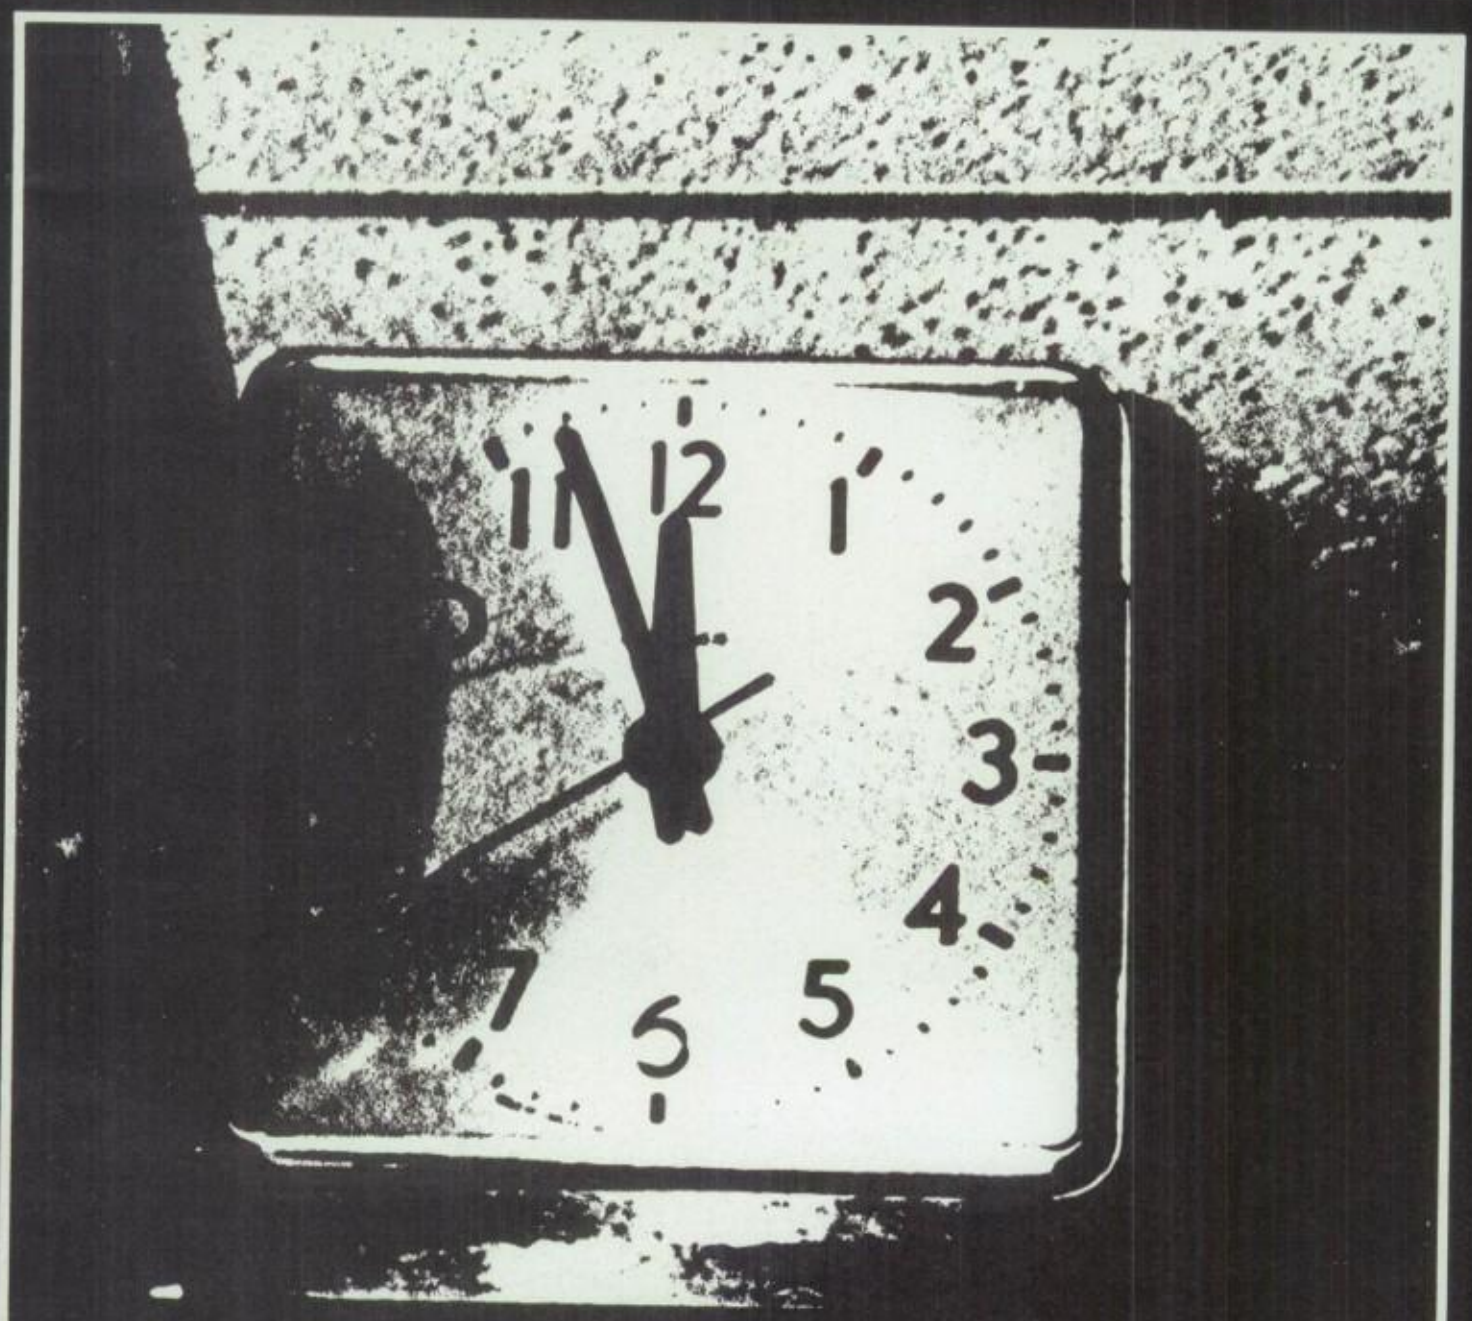
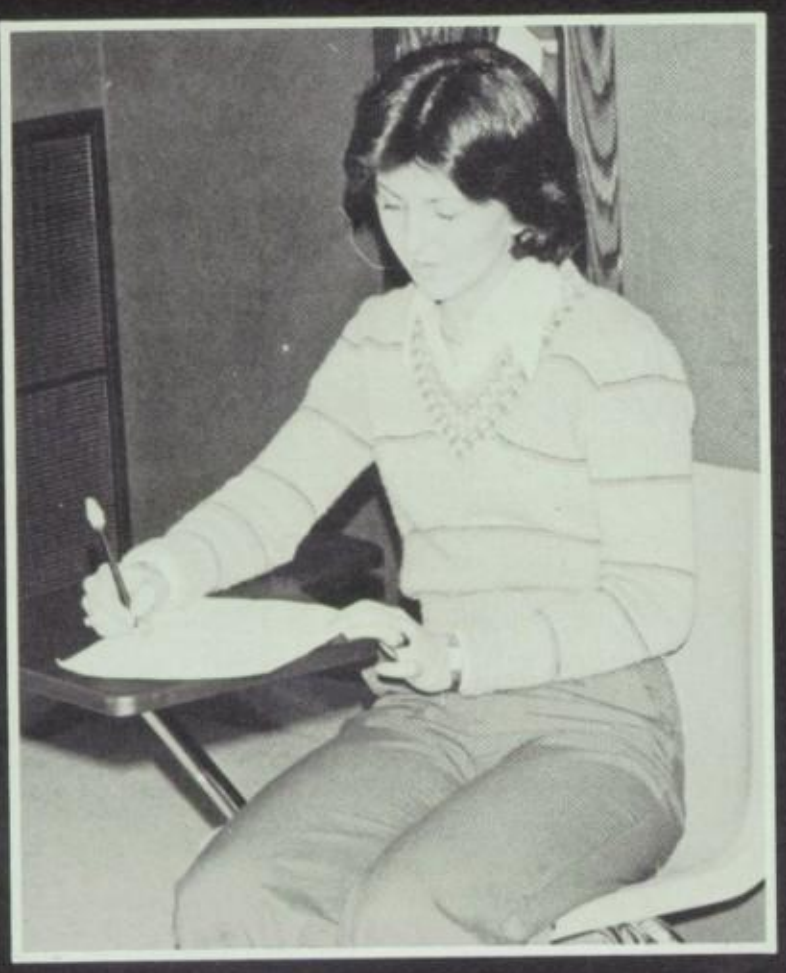
SENIOR TRIP

The seniors of 1977 will always remember and cherish their senior trip. On May 3rd, the third annual Briarcrest senior trip began. This year the seniors' first stop was Lucerne, Switzerland, where they toured the city, viewed works of art, skied, and shopped. They also took in a one day tour of Switzerland, Germany, Austria, and Liechtenstein. From Switzerland, the seniors went on to Amsterdam, and finally back to the United States. But before they returned to Memphis, the seniors toured New York City. It was an extremely exciting trip, one in which new friends and good memories were made. Those memories will live on forever.

A TIME TO LEARN



CLASSES



JUNIORS

The Junior class of 1976-1977 was represented by many fine individuals of whom Briarcrest should be proud. Although the junior class picnic was rained out, an attitude of fellowship and unity developed early in the school year and grew persistently. This unique bond will prove to be all-important in contributing to a great senior class for 1978!

SOPHOMORES

The Sophomores, which will be the largest graduating class in Briarcrest history, are a very spirited class. Homeroom 10-2 receives congratulations for being the most spirited homeroom. As they would yell at any pep rally, football game, etc., "Praise the Lord, we're doin' fine, we're the class of 79!"

The sophomore class officers are as follows: Seated L. to R.: Susan Moffitt, secretary; Camille Fite, chaplain. Standing L. to R.: Chris Chambers, vice president; Bill Wherry, president.

FRESHMEN

As usual, the freshman class had a difficult time finding their way around. It was a new experience to all of them, but somehow they managed to get by. They enthusiastically participated in the pep rallies where they competed against the other classes. The freshmen were also very supportive of all school activities.

Seated L. to R.: Andrea Willis, president; Ron Thomas, chaplain; Jamie Foster, vice president; Andrea Hamilton, secretary-treasurer.

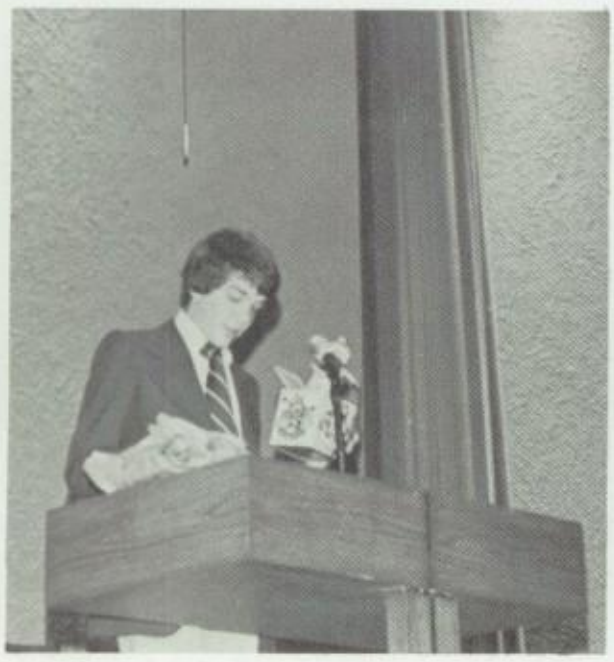
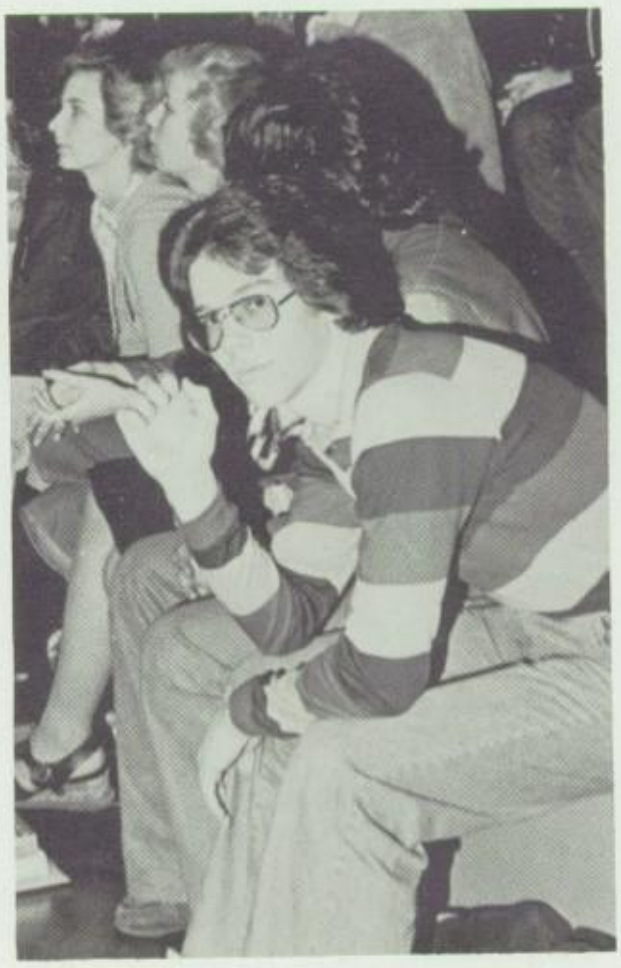
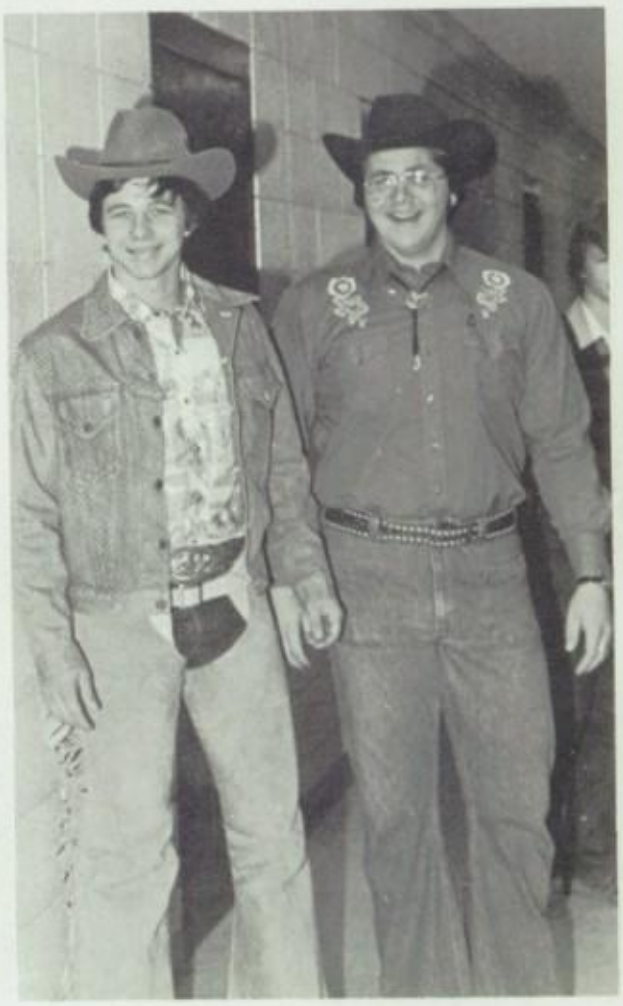
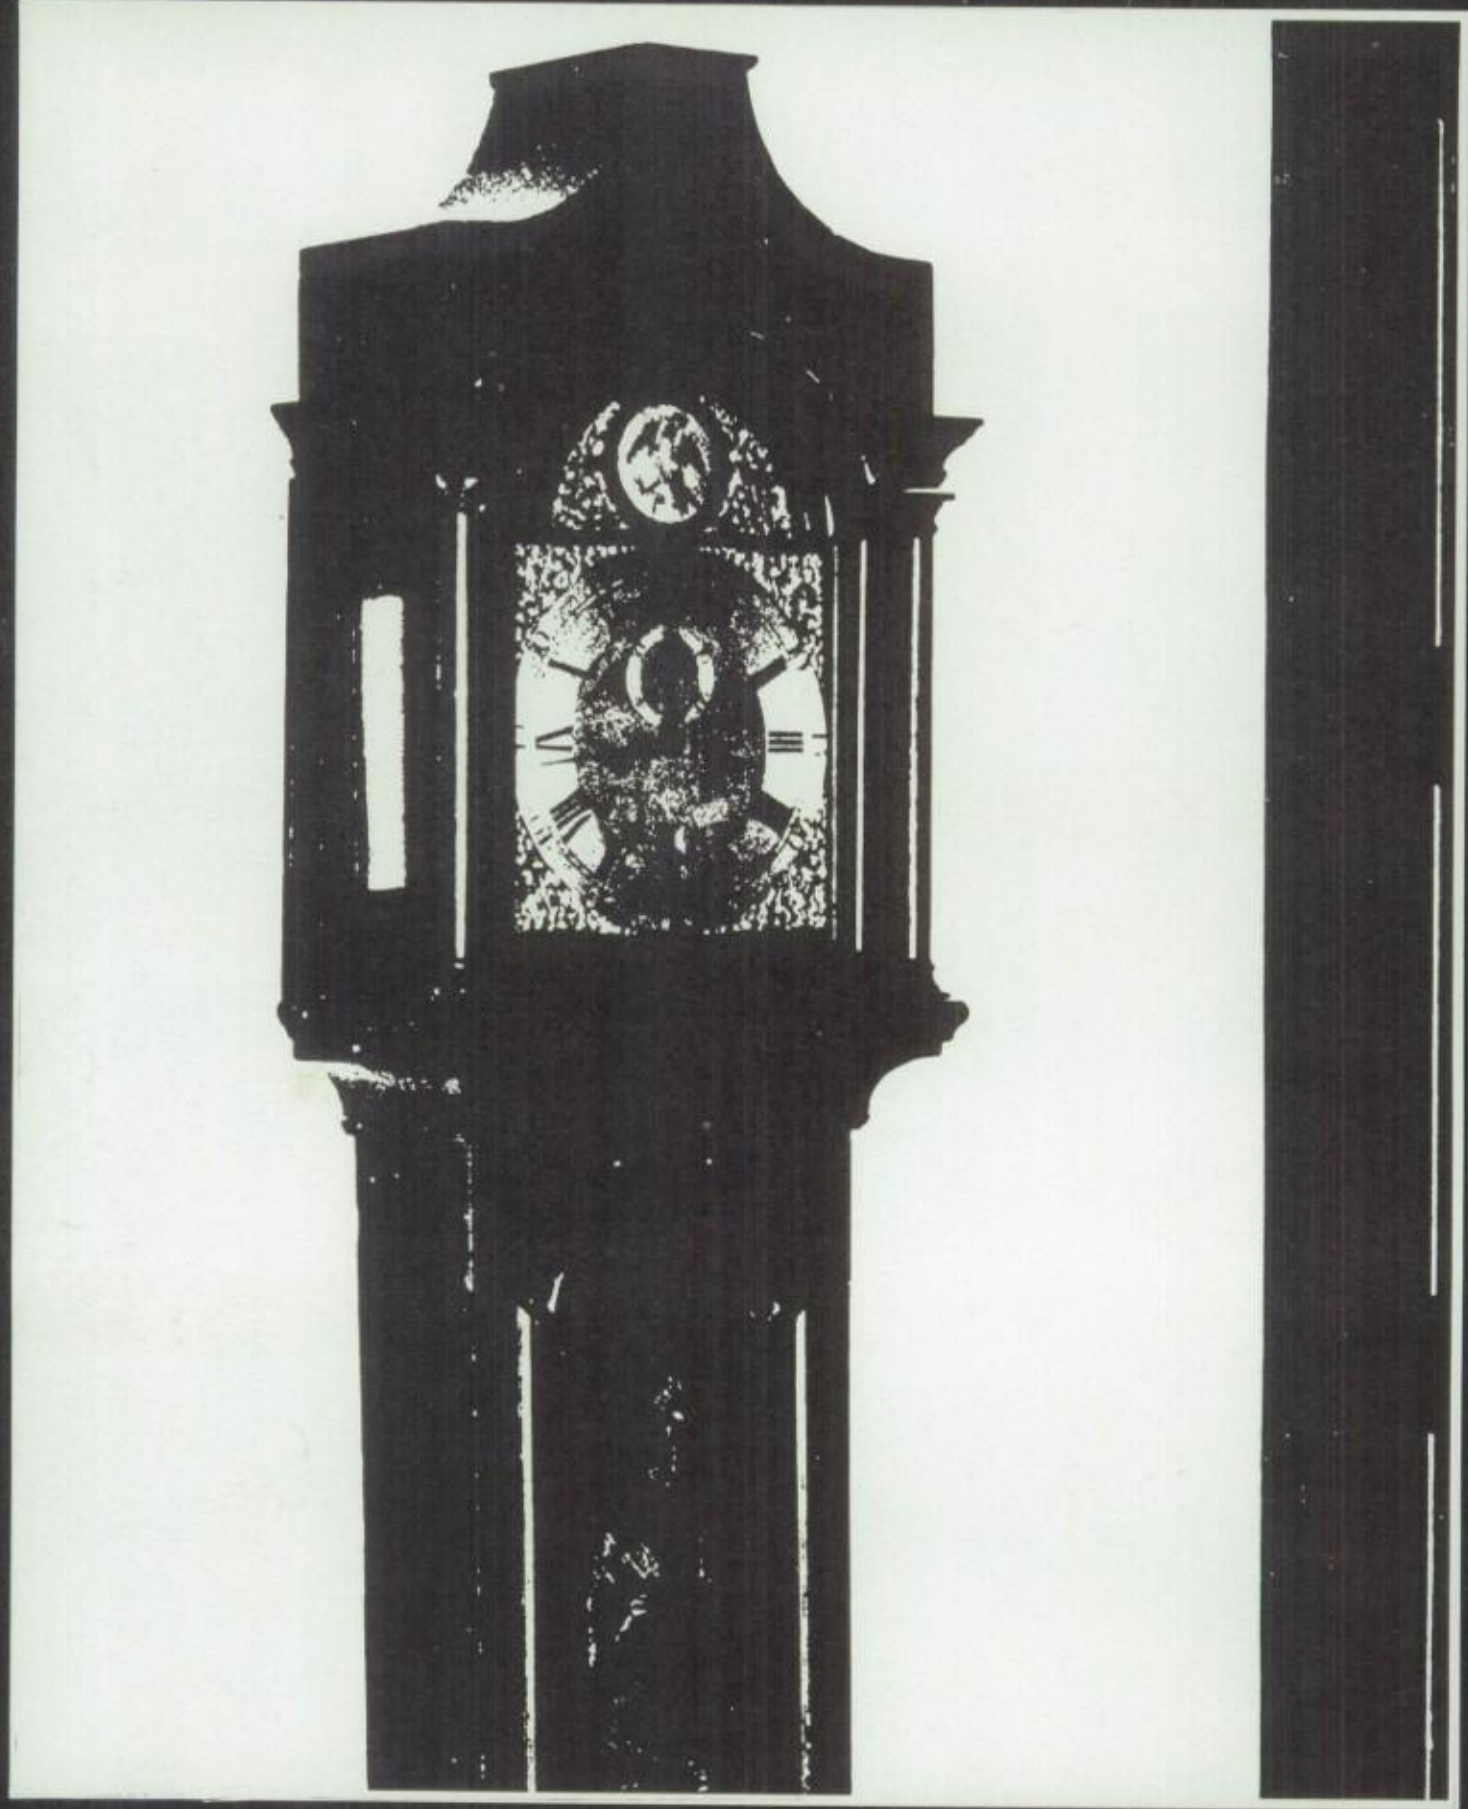
STUDENTS SUSTAIN SAINT SPIRIT



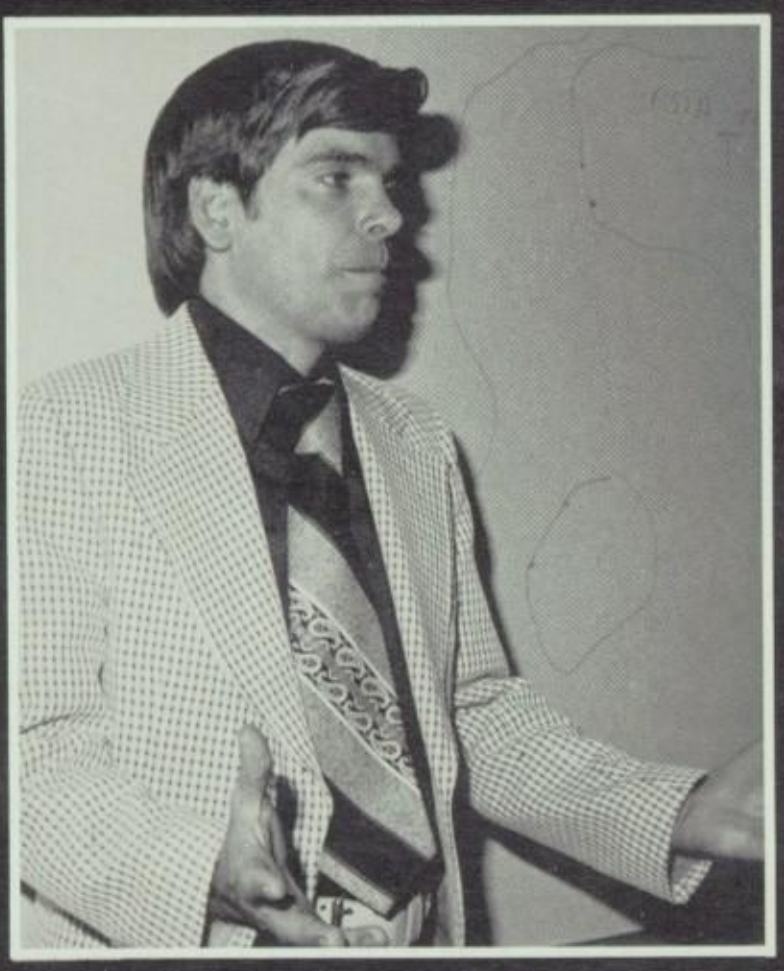




A TIME FOR LEADERSHIP



FACULTY AND ADMINISTRATION



BOARD OF TRUSTEES

Pearcy, Wylie Clatworthy, Charles Edwards, Don Allen, Cliff Plunk Jr., David White, Ron Foster, Harry Bogard, Wayne Tanner, Turner Carpenter.

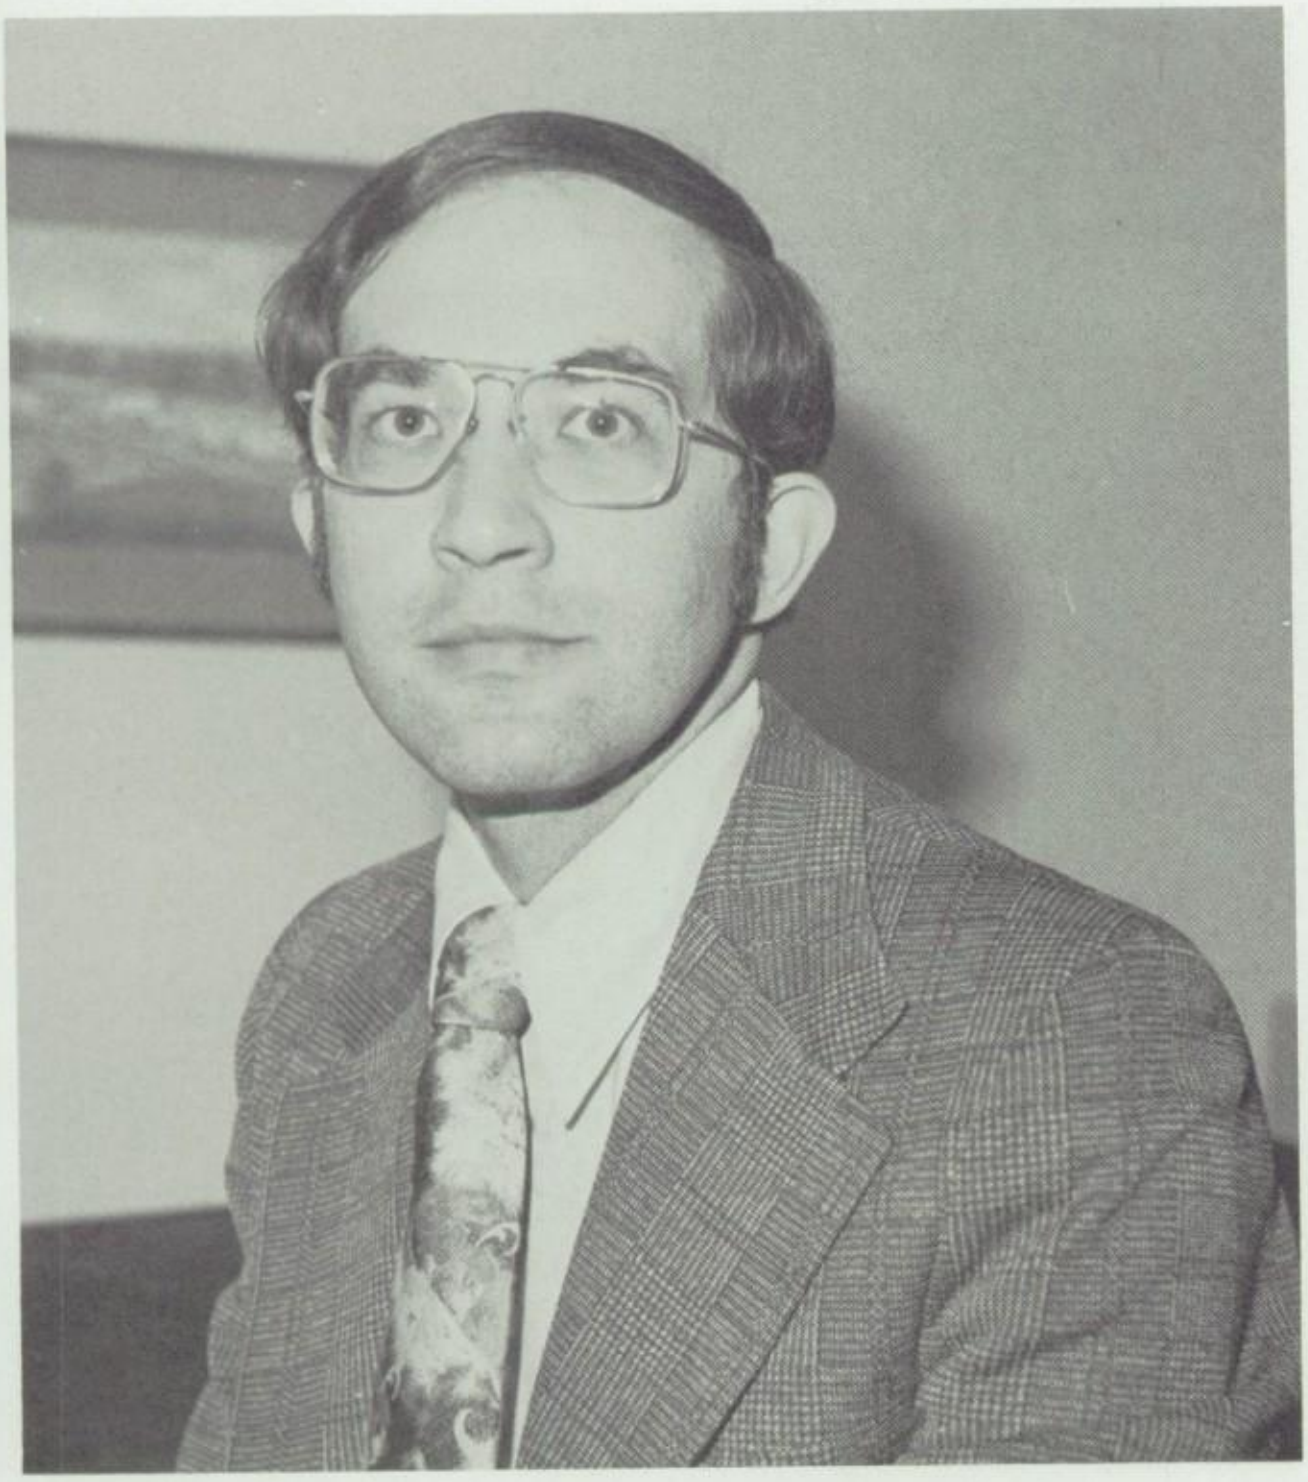
MR. CLAYTON

Mr. Joseph A. Clayton, the principal, is probably one of the busiest people in Briarcrest. He is actively involved in every event that takes place at Briarcrest. Mr. Clayton attended Collierville High School and then went on to Memphis State University. He played football all four years of college and was active in the Baptist Student Union. He majored in Administrative Supervision. Today, he mostly enjoys doing things with his family, and he is active in the Collierville Baptist Church as a deacon. Mr. Clayton says he is at Briarcrest because, "the Lord has led me to be here." He says he fought the decision to come because there is more security in the public school system. However, he claims that he has "not regretted the move at all." Mr. Clayton feels the future for Briarcrest is unlimited and he knows the Lord will have His hand in all that will happen.

MR. CHILDS

Mr. Danny J. Childs, the newest member of the administrative staff as vice-principal, has become a familiar sight around Briarcrest this year. Mr. Childs attended Southside High School and went to Memphis State University. While at Memphis State, he was active in the Baptist Student Union as he worked his way through college. He majored in education and minored in art and social studies. Today, Mr. Childs enjoys playing tennis, working in the yard, and even singing a little. Mr. Childs feels that "private schools have the brightest future," and he says he came to Briarcrest because he knew some of the students and faculty and had worked with Mr. Clayton before. Mr. Childs has been a great asset to Briarcrest this year.

DR. WILLIAMS



Dr. Stirling B. Williams has had a busy schedule this year. Not only is he the Assistant Director, but he has also found time to teach the senior AP English class. He attended East High School and then went to the University of Mississippi. At Ole' Miss, he received his B.A.E. Degree in English and education, and was active in the student government. From there, he attained an M.Ed. and E.Ed. in education. Dr. Williams enjoys working in the yard and remodeling his house. He feels that Briarcrest has a very bright future for the teachers and the students. He wants to "continue working as well as we are now."

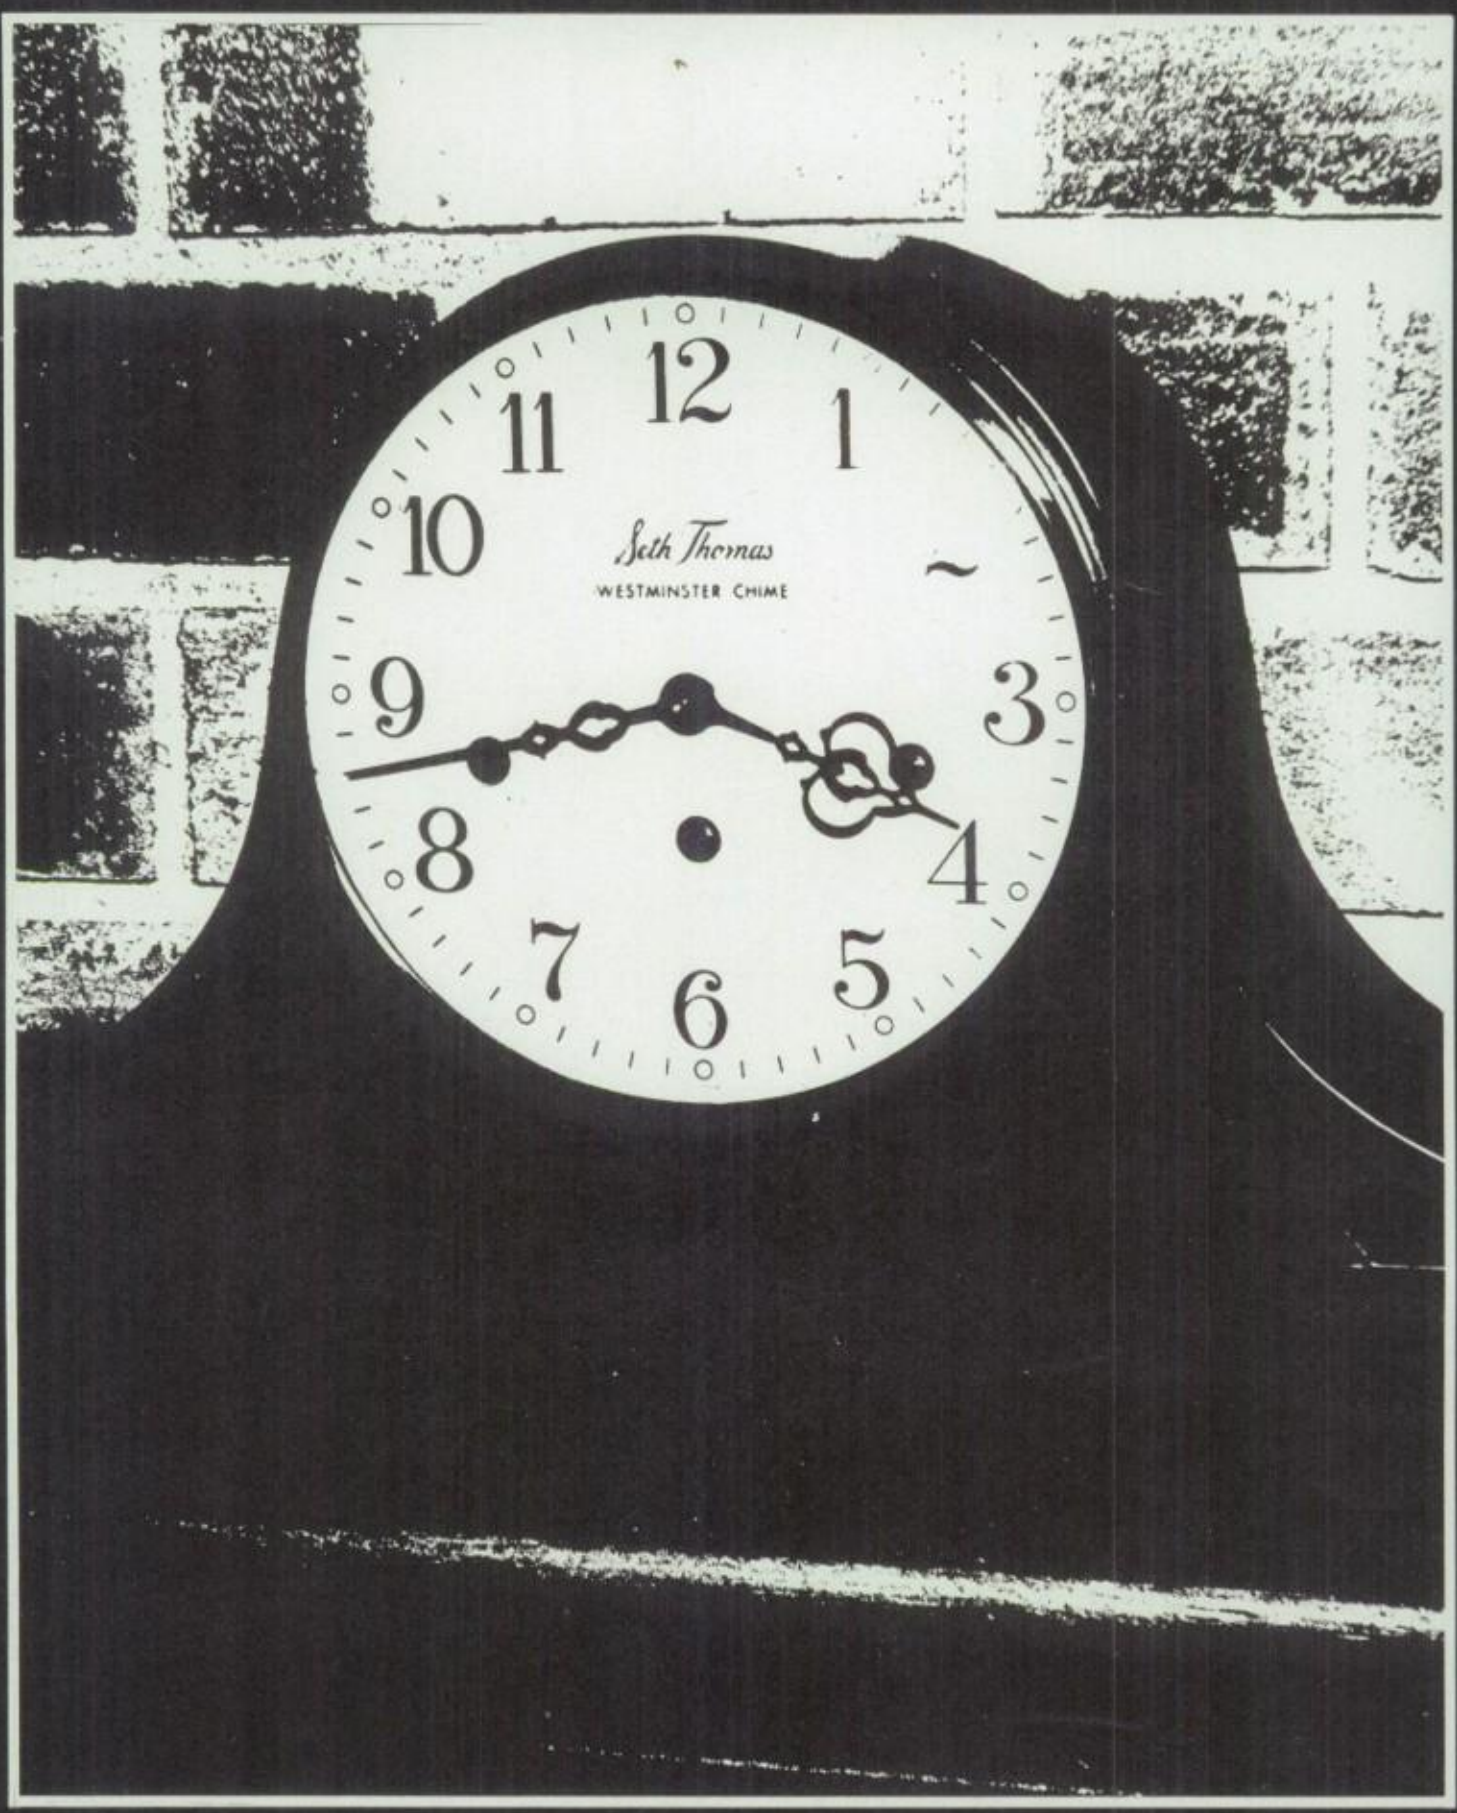
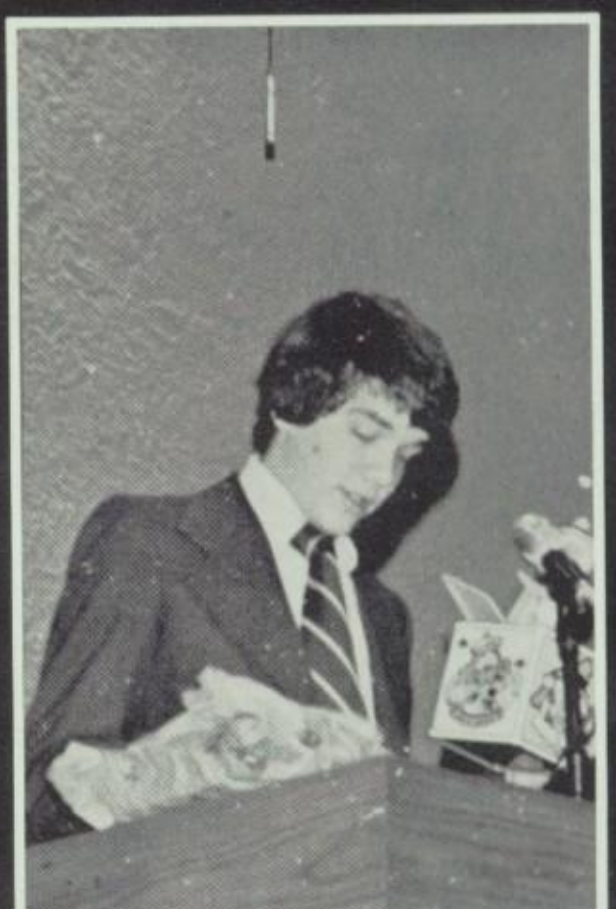
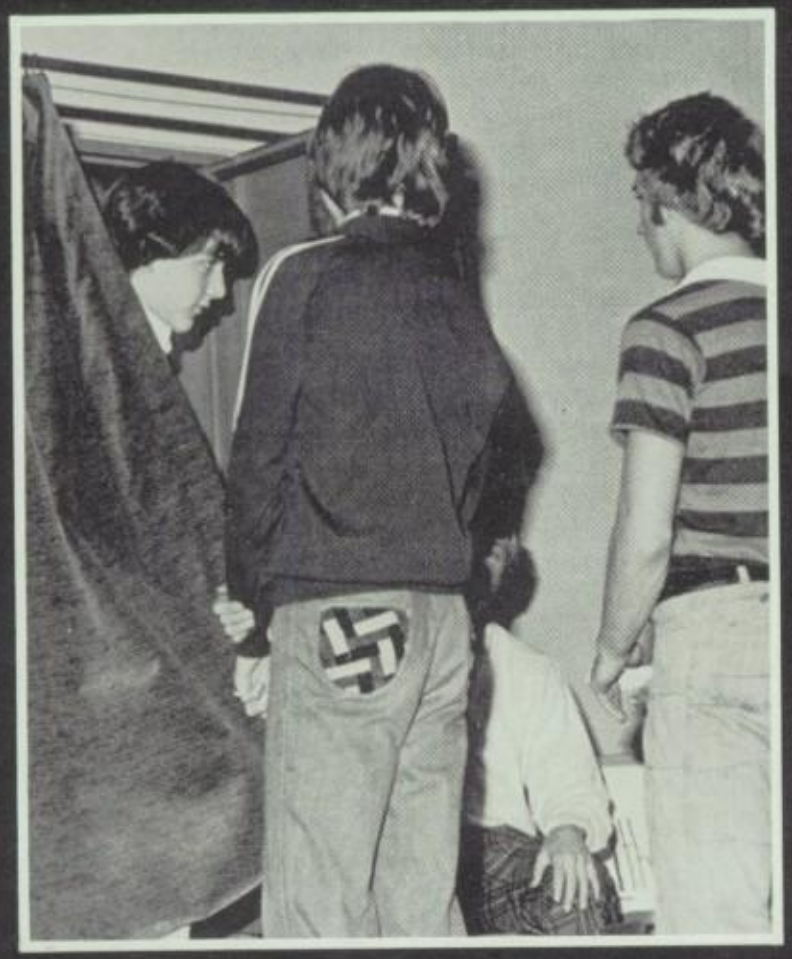
A TIME FOR RECOGNITION



HONORS





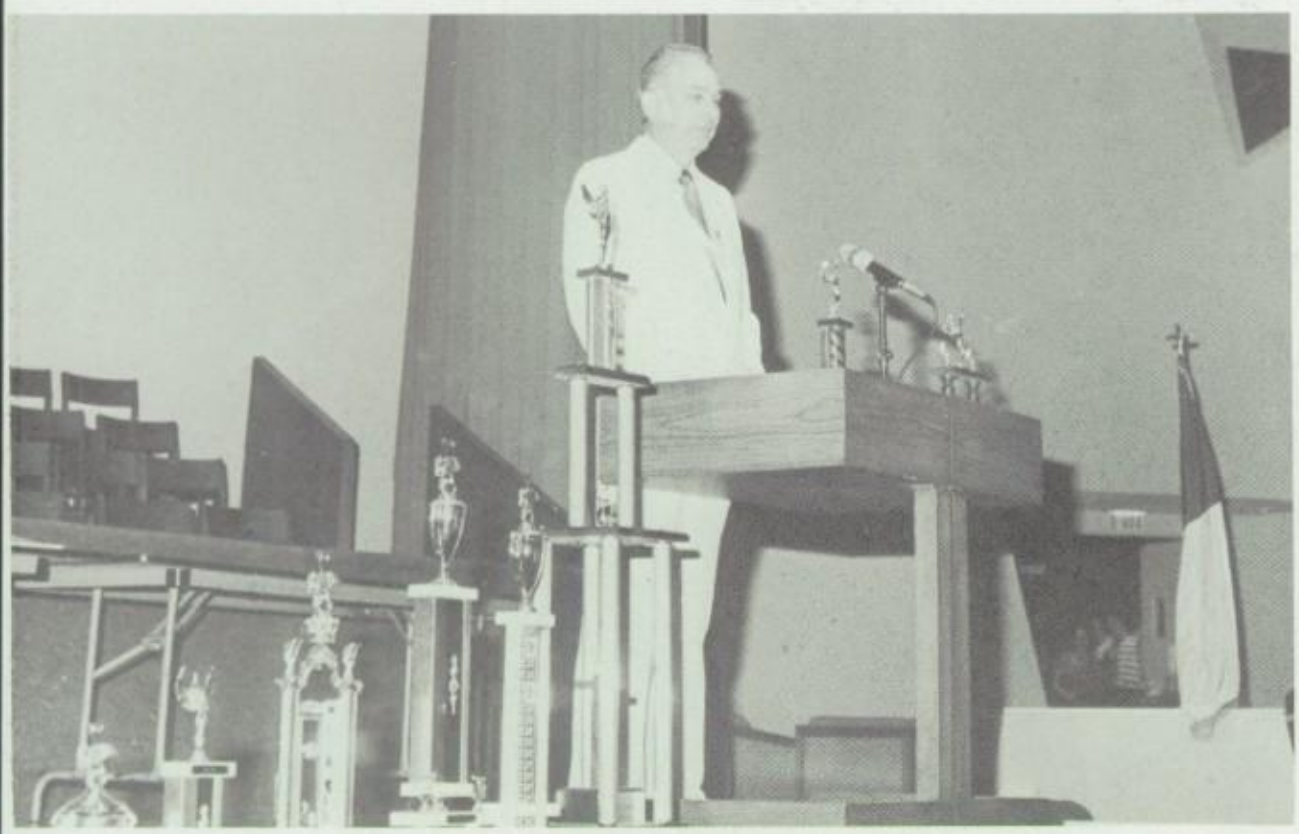
GIRL'S STATE AND BOY'S STATE

Each year the Briarcrest faculty nominates one delegate and one alternate for Boy's State and three delegates and three alternates for Girl's State. Each person elected must be in the upper third of the junior class and have a service oriented background. Each year they elect a governor who is sent to Washington, D.C. The purpose of Girl's State and Boy's State is to help those elected to realize the obligations and responsibilities of elected officials.

Top - Boy's State: Stephen Crawley, delegate; Barry Hay, alternate.

Bottom Left are Girl's State delegates: Barbara Calhoun, Alice McCorkle, and Terri Parmly. Alternates are: Loire Poor, Missy Olson and Leigh Anne Roberts.

Bottom Right: Robin Womble being sworn in as governor of Girl's State for 1977.



HONORS DAY

On May 2, 1977, the third annual Honors Day Convocation was held. The ceremony consisted of awards given in the various fields such as art, music, athletics, academics, and leadership. There was also a special recognition of those seniors who had been offered various college scholarships. The announcement of the recipients of the Benjamin Francis Scholarship, Mary Elaine Maskey Scholarship, and the Chip Vowell Scholarship was made. The numerous awards and honors presented to the students demonstrated the great potential that Briarcrest holds.

WHO'S WHO

The teachers are asked each year to nominate students for Briarcrest's Who's Who. Qualifications include Christian leadership, a minimum scholastic average of 2.50, participation in school activities, and community involvement. Teachers then vote on the candidates which they think best fill these qualifications. From the Seniors elected to Who's Who, Mr. and Miss Briarcrest are chosen.

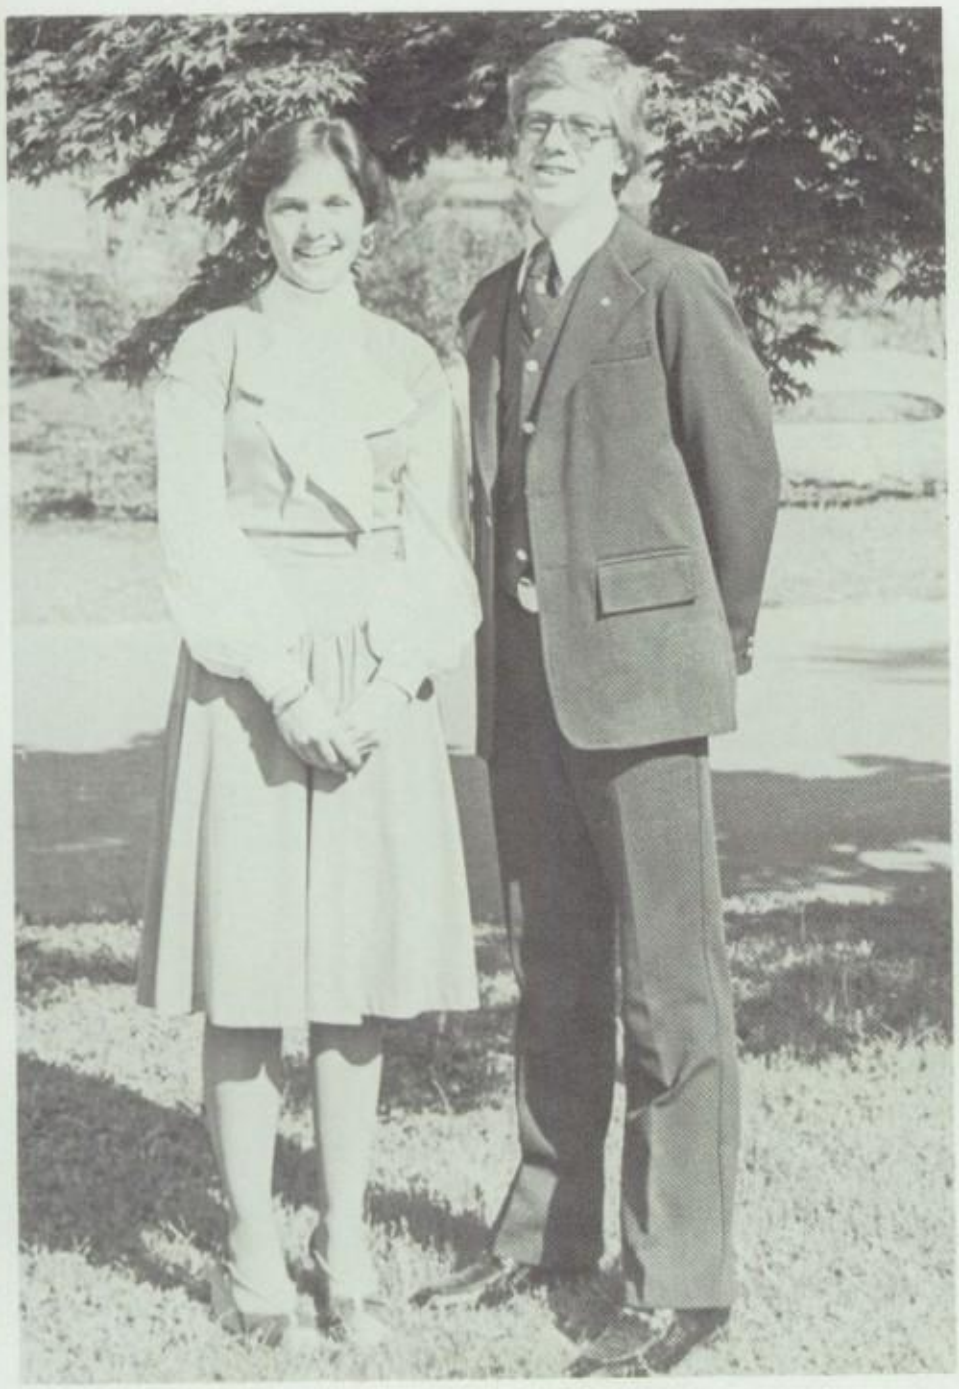
On this page are those seniors elected to Who's Who. They are - Top: Rusty Wherry and Jane Sholar. Bottom: Nita Douglas and Stan Smith. On the opposite page is: Leisha Prather and Ronnie Vaughan. Bottom: Vicki Farnham and Sam Stewart.

WHO'S WHO

On this page are those juniors elected to Who's Who. They are - Top: Karen Cremer and Stephen Crawley. Bottom Left: Lea Fisher and Barry Hay. Bottom Right: Don Stewart and Carol Smith.

On the opposite page are sophomores elected to Who's Who. Top Left: Tina Hay and Paul Pearigen. Top Right: Rusty Bailey and Kathy Kitabchi.

Also elected were freshmen Alan Clayton and Martha Armstrong, bottom.



NATIONAL HONOR SOCIETY

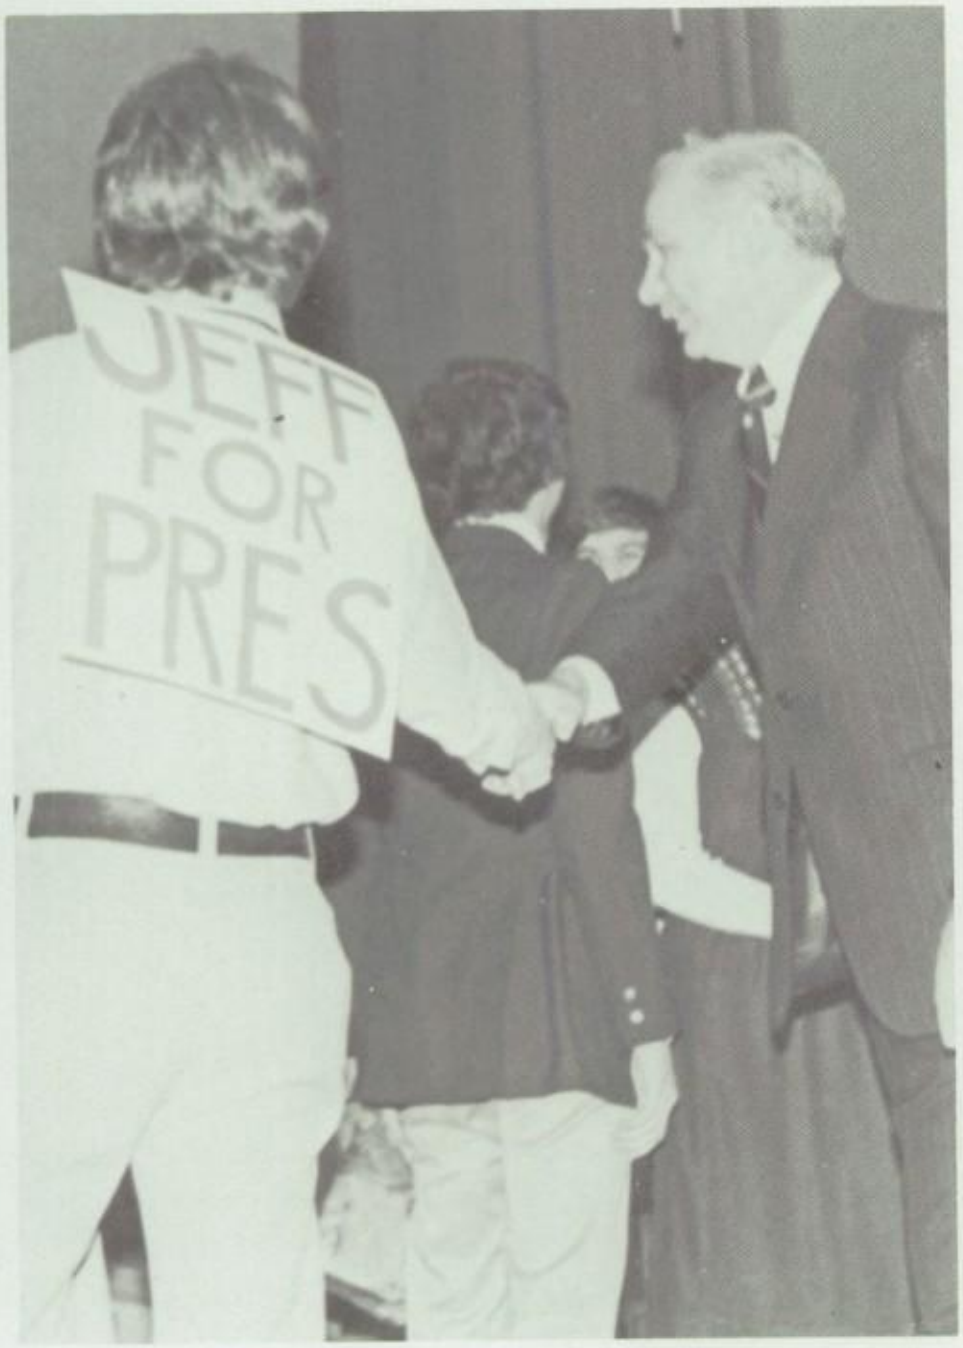
The National Honor Society has been quite active this year. The two main events have been the fall and spring inductions in which the members participated by planning the speeches, programs, and the receptions. This year they also sponsored the Junior Mister Contest in order to raise money for the school. They have had dinners and attended the Summit Club for a luncheon.

STUDENT COUNCIL

The Student Council is an integral part of the student government which is made up of homeroom presidents, class presidents, and the student council officers. At the beginning of the school year they sponsored not only class elections, but also Campus Life riots, and homecoming. In October, the Briarcrest Student Government was soundly whipped by the River City Rollers in an exciting game of Wheelchair Basketball with a final score of 46-8. Then the third annual Briarcrest Junior Miss was held with 14 senior girls competing for the right to represent our school in city-wide competition. Toward the end of November, collections began for the annual needy family drive, and also for the Arlington Christmas Party.

In February the annual celebration of Spirit Week took place with a special event planned for each day. During the same week votes were cast for Basketball Queen, with the crowning on homecoming night. In April, the student council closed the year with new officer inductions and the Nearlywed Game.

Through all of these events, these students have represented the best aspirations of our student body. Through their organization and dedication, these individuals have fulfilled the entire student bodie's wishes and desires for activities and projects within the community. Their leadership and dedication will be remembered as the future student council tries to maintain this high standard.



On opposite page are the present members of the Student Council: Commissioner of Religious Life, Alan Morris; Commissioner of Student Activities, Stan Smith; Commissioner of Community Relations, Billy Taylor; Secretary, Vicki Farnham; Vice President, Rusty Wherry; President, Sam Stewart.

After three weeks of tedious rehearsal, the night of the third annual Briarcrest Junior Miss Pageant arrived. At 8:00 p.m. on the night of November 4th, fourteen girls competed for the title. Performing under the theme of "Music Through the Ages," the girls sang, danced, played the piano, and acted. In order to determine the winner, the contestants, escorted by Tim Clay, Stan Smith, and Rusty Wherry, also modeled evening gowns. Presiding over the affair was Sam Stewart, who served as Master of Ceremonies. When the ballots were totaled, Samantha Basden was crowned the 1976-77 Junior Miss, and Jane Sholar was the first alternate. Profiting greatly from their experiences in the contest, all of the girls agreed that Samantha was a well-chosen queen.

On the night of September 17, over 3,000 fans attended the action-packed climax to a very successful Homecoming week - the Homecoming football game. The Saints dominated the entire game and had an easy victory over the Spartans of White Station. The final score of the Homecoming game found Briarcrest to be the victor - 47-6. The crowd's enthusiasm rose even more when Briarcrest's third homecoming queen was crowned. Miss Robin Womble, escorted by John Kimbrough, was radiant as Mr. Clayton placed the crown on her head and a kiss on her cheek. Cindy Stringer, last year's homecoming queen, presented Robin with a charm, and Mrs. Clayton gave her a bouquet of gold mums. This event took place in front of Robin's homecoming court and the Briarcrest marching band. The evening proved to be a great success.

Another first occurred at Briarcrest this year - a basketball homecoming queen. The players nominated three senior girls, and the school voted for their choice for queen. Nancy Johnston, Cathi Crain, and Linda Gregory were the three senior nominees. In addition to the Senior representatives, there was also a junior, sophomore, and freshman representative chosen. The junior representative was Michelle Carrington; the sophomore representative was Gail Gilbert; and the freshman representative was Jamie Foster. The ceremony was held as a climax to an exciting, action-packed spirit week on February 11th. Linda Gregory was crowned by Mr. Clayton, and Mrs. Clayton presented her with a half-dozen yellow roses.

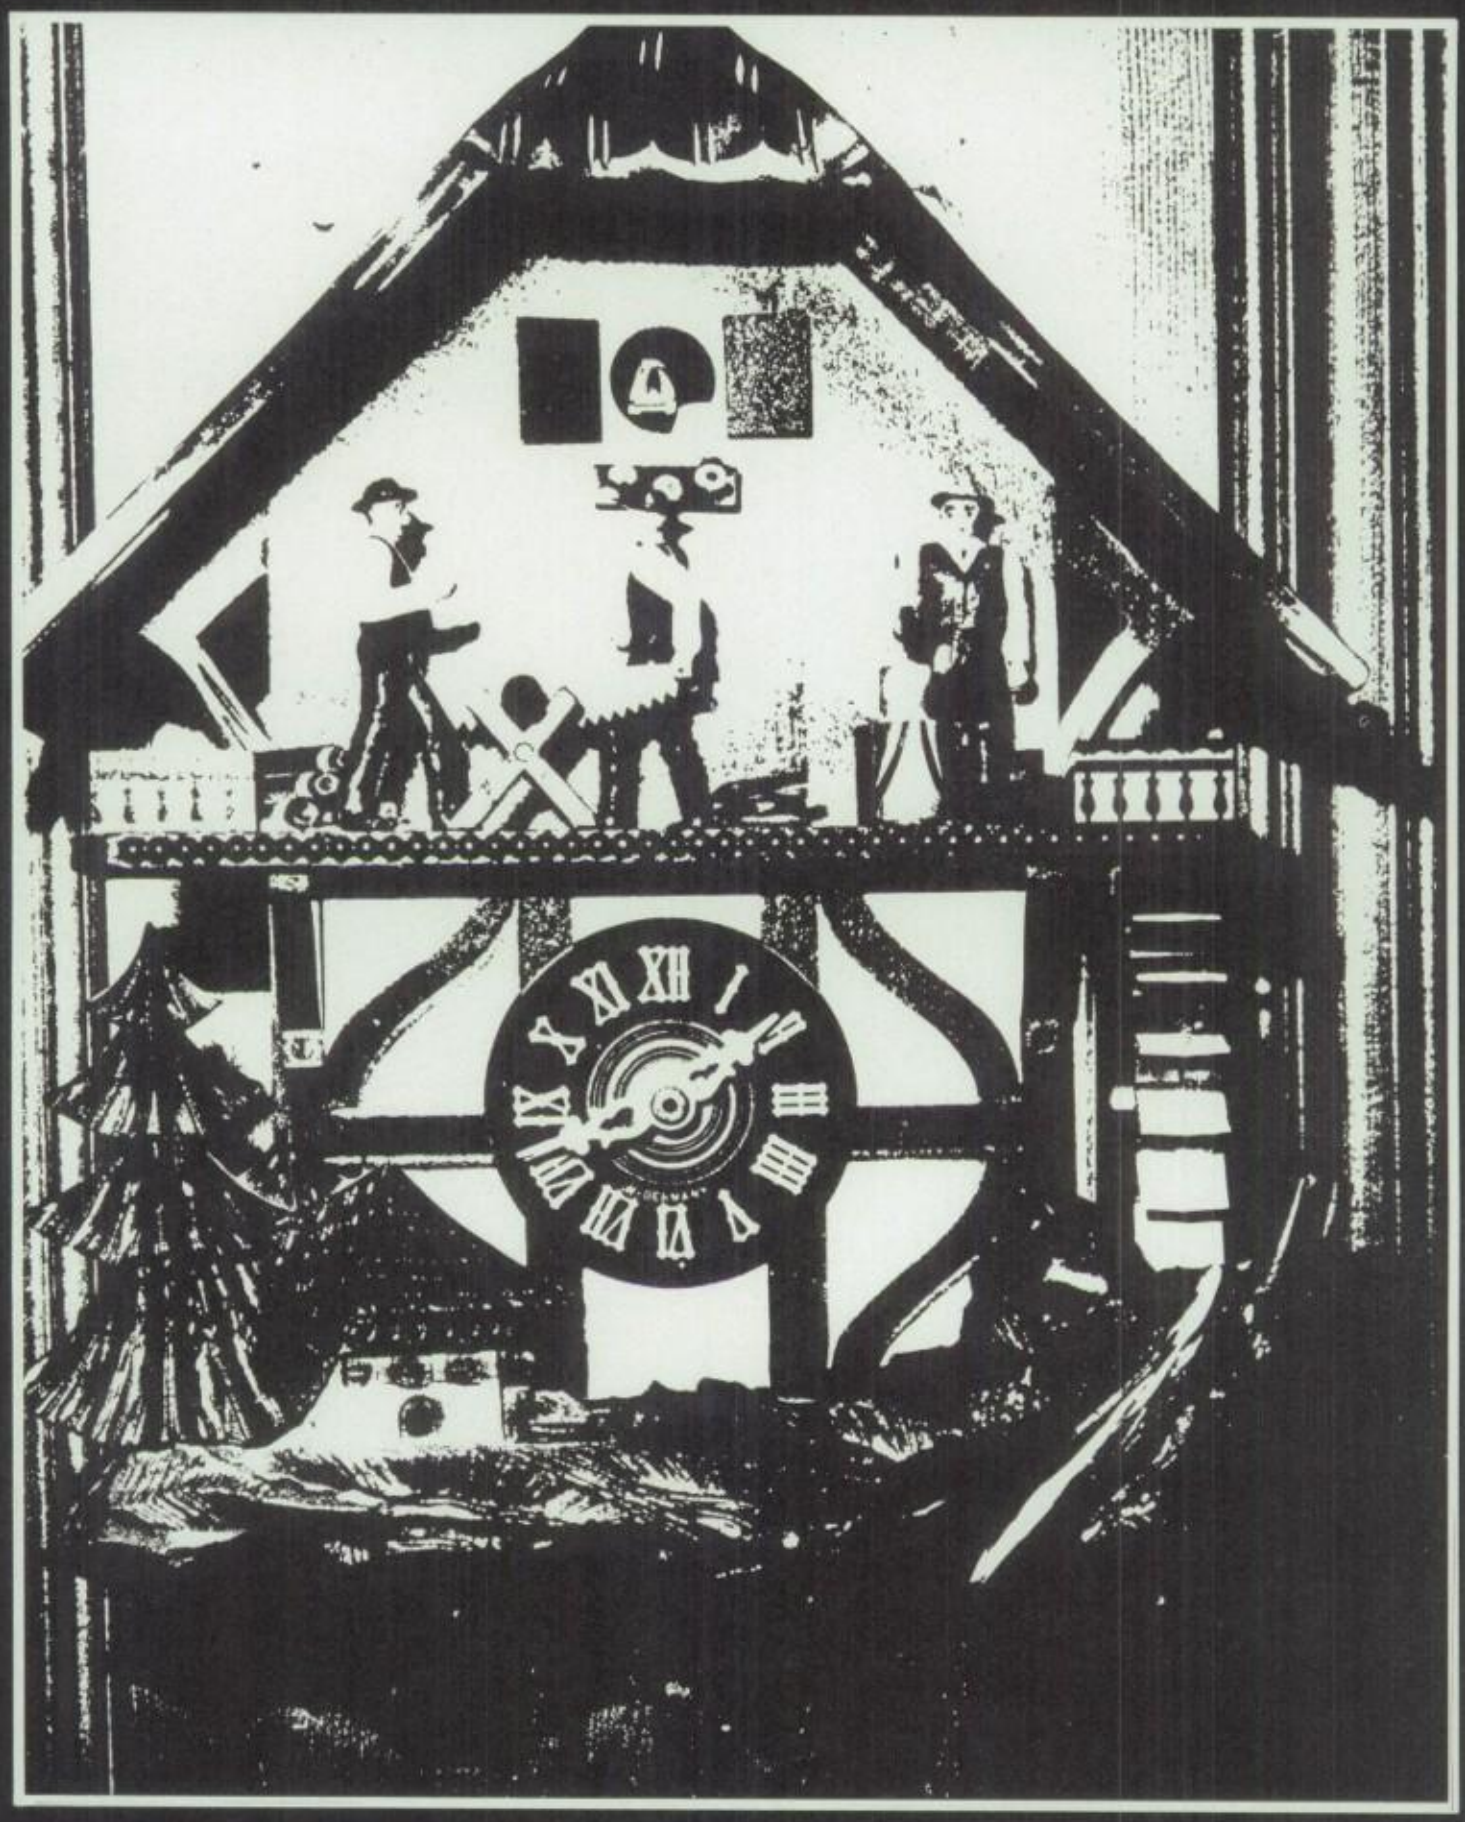
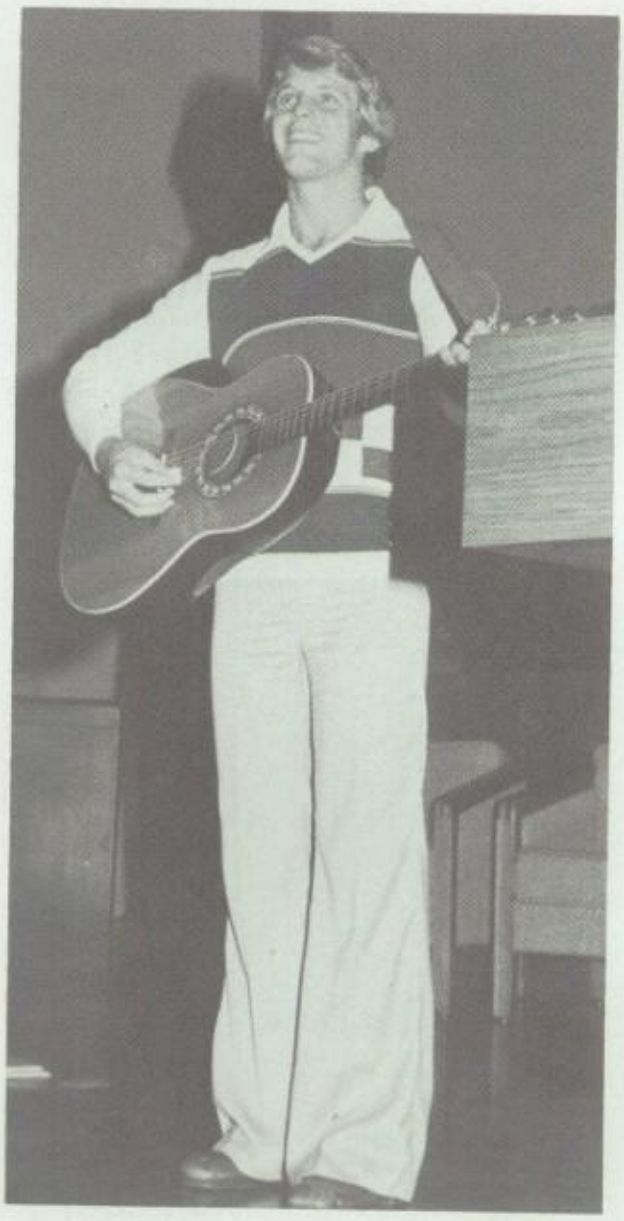
A TIME FOR ENJOYMENT



ACTIVITIES

SAINTS ASSEMBLE FOR . . . WORSHIP

With its many interesting and inspiring programs, chapel at Briarcrest has aimed at promoting Christian growth and maturity among the students. Coordinated by Reverend Wayne Allen and other members of the East Park Baptist staff, chapel programs presented the Bible and its teachings in many various ways. Films sponsored by the student council that offered a spiritual message were "A Thief in the Night," "The Secret of Loving," and "His Land." Music programs presented by the Briarcrest Chorus and the Union University Choir also enhanced Briarcrest chapel services. In addition to the exceptional leadership offered by the East Park staff, many outstanding speakers shared messages concerning their experiences in the Christian life. Reverend James L. Netters, a local pastor; Don Kessinger, player for the St. Louis Cardinals; and several pastors from the Briarcrest sattelite schools were among the special guests present in chapel services. Worship and sharing with Christian leaders in and around Memphis was made an enjoyable and exciting experience through Briarcrest's Wednesday morning chapel services.



. . . FUN

"Just a good excuse to get out of class?" This statement certainly doesn't describe the many programs Briarcrest students participated in during school hours. This school year was sparked by many fun and exciting activities for the entire student body. The annual Campus Life riot brought an hour's worth of chaos to the Briarcrest campus, with the illustrious sophomores coming out as the winners, only to be beaten by the faculty in a game of moonball. While the seniors ran a close second, the sophomores definitely experienced their "finest hour." Later on, however, Briarcrest students suffered sound defeat when challenged by a group of athletic paraplegics in a series of wheelchair basketball games. While some students were awed by the magic of Merlin the Magnificent, others were equally awed by the strength of their fellow classmates in the student council sponsored arm wrestling contest. Later in the year, students experienced an educational program about nuclear energy that proved to be just as funny as it was informative. The many interesting programs offered Briarcrest students during the year helped to make ordinary school routines much more interesting.

DRAMA

The Drama Department engages in a variety of activities during the year to teach its participants and show others the many facets of drama. Although Briarcrest did not produce a major drama production this year, many different activities in drama kept everyone involved very busy.

Drama students participated in several speech tournaments throughout the year. At Christmas, the drama students presented a Reader's Theatre, which was a type of oral presentation containing works of both prose and poetry. Later in the school year, the various drama classes presented scenes from one act plays that were viewed by many of the student body. Led by Mrs. Judi Centko, the drama department presented a variety of drama productions to the student body throughout the year.

BRIARCREST CREATIVITY

The Art Department is always busy during the year working on many projects and producing many original pieces of art. During 1976-77, Briarcrest art students participated in several art contests showing their many different talents in art. At the Mid-South Fair Art Show, Briarcrest placed first in the school exhibit, and Rosemary Askew won recognition by winning the "Best in Show" Award. The Art department also entered the Scholastic Art Awards contest and had 34 "Certificate of Merit" winners. In April, many students were busy finishing pen and ink pictures for the Memphis Sketchbook Calendar. Briarcrest carried the majority of winners in this contest also, with 7 of 13 winners chosen for the calendar. During the month of May, the Briarcrest Art Department sponsored a student-faculty art exhibit at the Hyatt Regency Hotel. Led by Mrs. Neeley and Miss Hudson, the Briarcrest Art Department has proved to be a very successful area of school life.

FEATURING THE 1977

Composed of about one hundred and ten people, the Briarcrest Band plays a major role in the school. They add much spirit to football games and pep rallies. But behind the scene, they are competing in many contests, which requires much hard work.

Some of the contests in which they have participated in are the Columbia, Tennessee Invitational Marching Contest and the West Tennessee Marching Festival, in which the band, the colorguard, and the drum major were all rated superior. The band also placed superior in the first class AA division of the Memphis State University Marching Contest. In April they took an annual trip, this year to Knoxville, Tennessee, in which they competed and

placed third in the Dogwood Arts Festival. Because of their high merits, the band has been selected to participate in the Mexican International Band Festival in Mexico City in the spring of 1978.

The Briarcrest Jazz Band, just started in February of this year, competed and was rated superior in the West Tennessee Jazz Band Festival. The Concert Band won a superior rating in the West Tennessee Concert Band Festival this year.

Directed by Mr. Larry Volman, the band receives recognition for its continued success. This year's band officers are: Julian McKay, President, and Mark Henry, Anita Vaccaro, Paul Floyd, and Gil Herrin, Vice-Presidents. The field commander is: Ricky Barrett. The captains for the colorguard are: Fransisca Vanderjagt, flags, and Cathy Raley, rifles.

CHORUS

Directed by Mr. James Dellinger, the choir adds music to Briarcrest. All three choirs, the mixed chorus, the girls chorus, and the concert choir have worked hard and achieved much success this year. Their talent was shown in the many assemblies and concerts they performed. The concert choir, the "New Sound," went to New York for a week to perform at the Grace Corporation and at Rockefeller Center.

SAINT SPIRIT SOARS

Fantastic school spirit in a school that's only three years old - who would believe it? Well, never to be defeated or outdone, Briarcrest students certainly believe in good, old-fashioned school spirit - loud, vigorous, and enthusiastic - and this kind of spirit abounded in perhaps two of the most exciting weeks of the year - the fall and spring Spirit Weeks.

During Homecoming Week, students supported the school on "Player Appreciation Day" and "Green and Gold Day." Throughout the week, various Saints showed their school spirit by helping demolish a car representing rival team White Station in the week-long Car Bash. Finally, many showed school spirit by dressing like their classmates on "Class Designation Day." The Seniors in their standard overalls and rugby shirts led the student spirit, while the Juniors appropriately draped toothbrushes from their necks. The Sophomores joined by wearing jeans, white shirts, and sunglasses. Finally, the wacky Freshmen appeared in ribbons, ties, and unmatched shoes.

Later in the year came basketball Spirit Week with the days of the Wild West recreated at Briarcrest. Dressing in some of their wildest clothes, many students participated in this hilarious day. Some came in skirts and petticoats, some dressed in leather chaps and boots, while some turned out in native Indian dress. "Headgear Day" and "Green and Gold Day" were once again huge successes. Climaxing this Spirit Week came the presentation of the Class Spirit Stick, won by the unvanquished Seniors of '77. Not only in these two exciting weeks, but also throughout the entire year, Briarcrest students showed their enthusiastic support of their sports teams and their school, which they rightfully believe is the greatest!

Twelve students combined their talents and efforts to relate the events of the school year in a special and memorable way. Attending seminars, selling advertisements, planning themes, drawing layouts, taking pictures, and writing copy made up the major jobs of the staff. Funny events, serious times, exciting happenings and regular routines are the materials which the yearbook staff used to meaningfully recreate the school year between the covers of THE SAINT.

VARSITY VOLLEYBALL

The first year of TSSAA volleyball brought with it many new beginnings for the Briarcrest Girls' Volleyball teams. The success of each team was directly linked to never-ceasing HARD WORK. Each team began practice three weeks before the school year began and never quit working until the last point of tournament competition had been completed. Each team finished third in league competition as well as in their respective district tournaments. With such a firm foundation set in the first year of competition, next year should prove to be even more successful.

BOWLING

Although the Briarcrest girls' bowling team was virtually unheard of around the school, it did exist and they did compete in a state-wide tournament sponsored by Austin-Peay College in Clarksville, Tennessee. Under the supervision of Ms. Sharon Watson, the team rolled their tournament scores at Park Lanes.

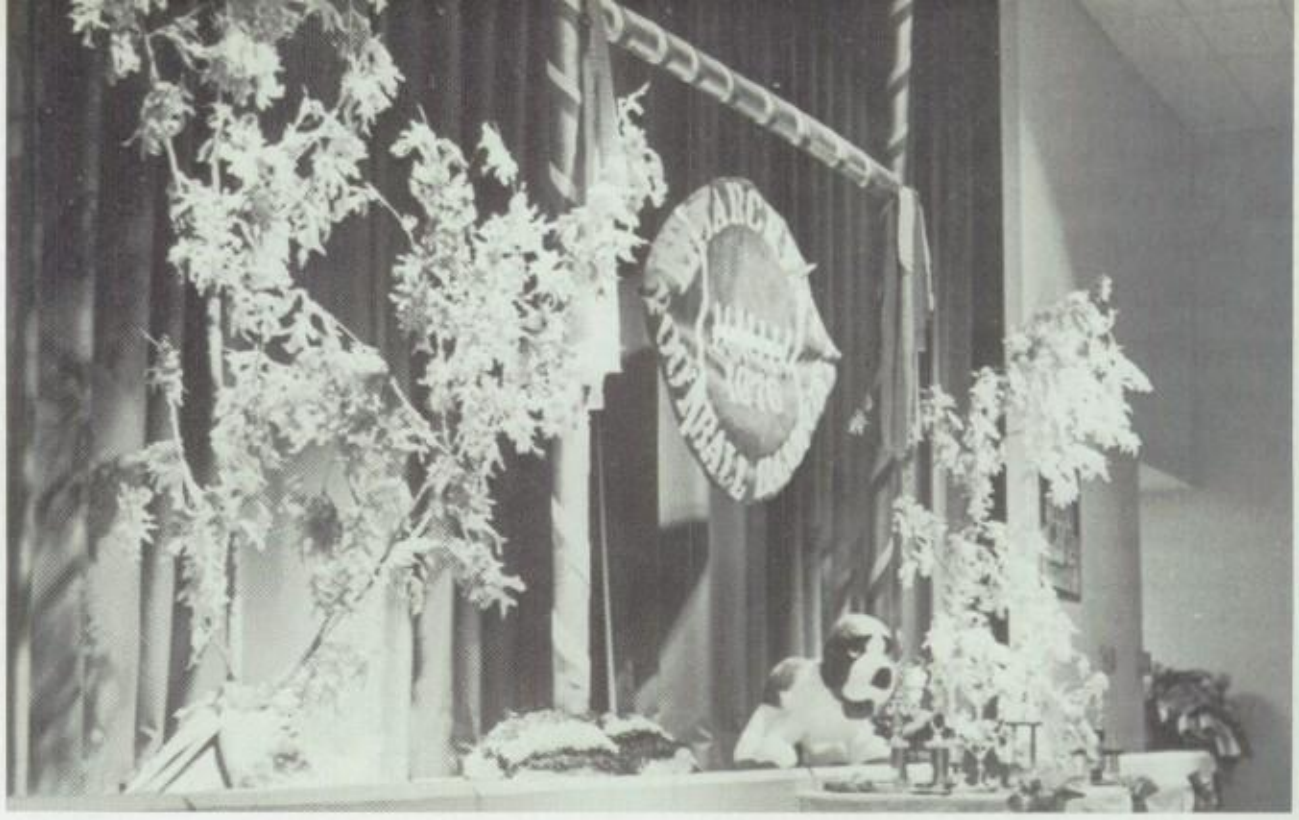
FALL SPORTS BANQUET



SPRING SPORTS BANQUET

Briarcrest broke its tradition of only having a spring sports banquet by also having a Fall Sports Banquet which included football, girls' volleyball, cross country, and wrestling. Members of each team attended and were given their certificates of participation and any individual awards that were won throughout the season. The Spring Sports Banquet included baseball, golf, tennis, track, and basketball. The guest speaker for the Spring Sports Banquet was the president of the "Golden Saints," the Briarcrest athletic booster club.

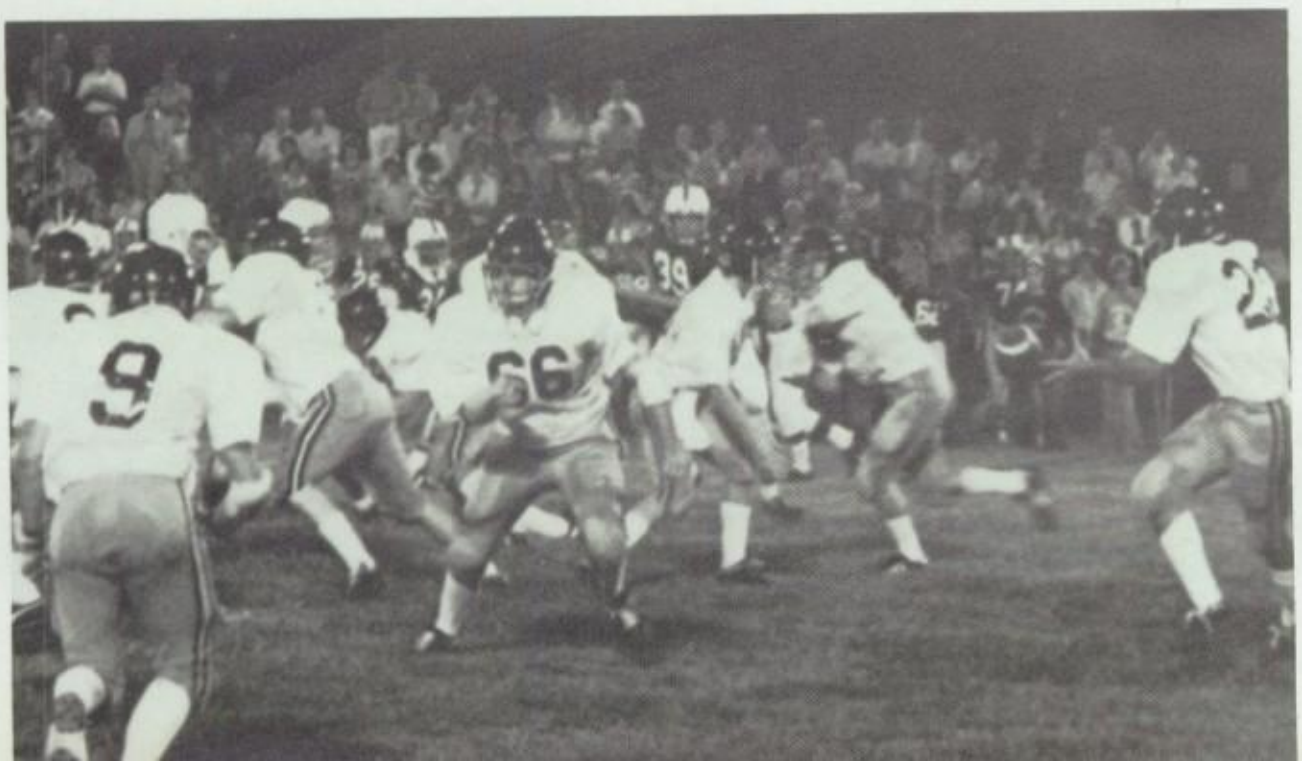
LITTLE LIBERTY BOWL CHAMPIONS

The 1976 football season was one in which all of Briarcrest could take pride in. The team carved out its best record in the three year history of the school; nine wins against only two losses. The most exciting point of the season came when the Saints defeated Bishop Byrne, who had not lost a single game in three years. The Saints played in their second bowl game on November 11 at Henderson, Tennessee, where they squeezed by Bolivar High School 14 to 6. Several of Briarcrest's players received All-Shelby County selection including Mike Moffitt, Stan Smith, Greg James, and Joe Chambers. Receiving honorable mention were Don Stewart, David Perkins, Dennis Dees, Rusty Wherry, and Brian Field.



FRESHMAN FOOTBALL

The 1976 freshman football team ended its season with four wins and four losses. The team worked extremely hard and made up for its size and speed in desire and determination.

WRESTLING

The 1976 athletic season brought about a new sport at Briarcrest, wrestling. In their first year the wrestling team closed their season with dual meet victories over Messick and White Station. In their first year of competition the Briarcrest team lacked in experience but not in desire and enthusiasm.

BASKETBALL

The season also included a second place finish in the East Memphis Classic. The team finished the year with a 12-14 record. Ed Parnell and Turner Echols were selected to the first and second string All-County teams respectively. Honorable mention on the All-County team went to Ronny Russell. Individual team efforts went to Rick McCullough for the most improved player, Turner Echols, who was the leading rebounder for the year with 222, and Ed Parnell, the leading scorer with 390 points for the season.

VARSITY AND JUNIOR VARSITY CROSS COUNTRY

The Varsity and Junior Varsity Cross Country Teams were closely related this year. The Junior Varsity ran in the same meets as the Varsity with the only difference being the distance. The Junior Varsity ran 2 miles whereas the Varsity ran 3 miles. On the Varsity team, Ronnie Pearson, who was chosen by the team as the most improved player, set a new school record in the 3 mile run. All members of the team will be returning for the 1977-78 school year.

BOYS' TENNIS

The boys that represented Briarcrest on the tennis team this season can be very proud of their accomplishments. Brian Hill won 3rd place in singles of the District 14 and 4th place in the Region 4 tournaments, and also represented Briarcrest in the state tournament in Nashville. The team ended the year with a 7-4 record.

BOYS' GOLF

The 1977 boys' golf team finished the year with a 6-4 won-lost record while competing in the Shelby County Golf League. The foursome of Ed Parnell, Tommy Hunt, Eddie Greer and Pat Sellers won the District 15 Championship for the second year in a row with a team score of 299. The 299 score was the best ever by a Briarcrest team in tournament competition and allowed the team to advance to the Region 4 tournament. Ed Parnell finished in a fourth place tie for the right to advance to the state tournament, although he lost in a sudden death play-off.

VARSITY CHEERLEADERS

The varsity cheerleaders had an extremely busy year doing such things as attending clinics, holding clinics, posing for slides to be shown around the country, and leading the cheers at pep rallies and sports events. The awards won at the U.C.A. clinic were superior ribbons, spirit sticks, and a superior trophy. The varsity squad also placed second in district competition.

JUNIOR VARSITY CHEERLEADERS

The 1976-77 Junior varsity cheerleading squad was one of the most enthusiastic groups with which I have had the pleasure and privilege of working. Each girl gave her all to make the squad a unified body in service to the school and more importantly, to the Lord. Their sincerity, cooperativeness, and love have blessed my life and I praise God for the opportunity of being associated with these girls for what seemed to be a very short time. I truly love and admire them all.

FRESHMAN CHEERLEADERS

The freshman cheerleaders not only cheer at freshman sports events, but also assist the varsity and junior squads in leading the cheers at pep rallies. The freshman squad attended the Ole Miss UCA camp and won the Jr. High District Championship.

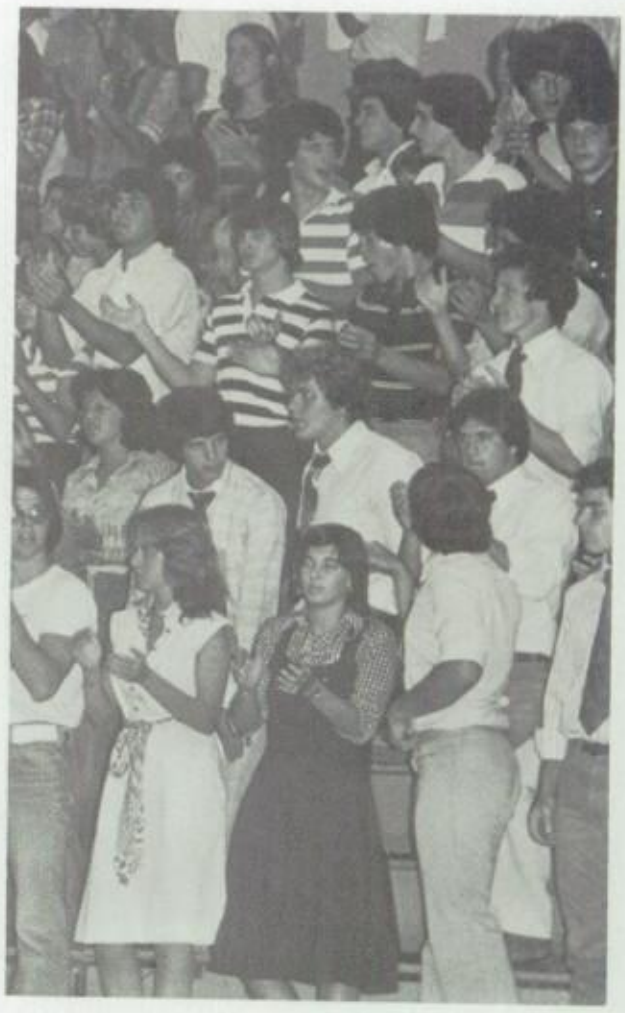
WHO'S THE GREATEST?
WHO'S THE BEST?



Arousing school spirit was the major objective that was accomplished at the pep rallies during the 1976-1977 school year. At the first pep rally of the year, Briarcrest was awarded the Prep School of the Week trophy by a local disc jockey, Ron Jordan. The Briarcrest pep club, better known as the Green Peppers, and the three squads of cheerleaders all helped to develop never-ending school spirit by various methods. One of the most popular ways of arousing spirit was by presenting comedy skits, which included cheerleaders dressing as football players, and the basketball players dressing as girls. The band added to the spirit of pep rallies by their most popular numbers: the theme from the Kentucky Fried Chicken commercial and Mickey Mouse. One of the more attention getting situations was when several of the coaches got pies in their faces.

GRADUATION . . .

A word that had seemed so far away as the seniors prepared for this moment, was now becoming a reality. As the seniors were lining up for graduation, one could feel the emotions and tensions rising. When the organ finally began to play the traditional "Pomp and Circumstance," the excitement, happiness, and even sadness seemed to overcome the seniors. The processional continued, and with the cooperation of all those involved, the third graduating class of Briarcrest High School succeeded in maintaining what many have said was, "one of the most impressive graduation ceremonies."

The combined baccalaureate and commencement services began with an invocation by Robin Womble, the class chaplain, after which Mr. Clayton welcomed the guests and made his opening remarks. The ceremony continued with the addresses by the salutatorian, Nita Douglas, and the valedictorian, Lindsay Overton, both of whom spoke on the theme of "Train up a Child," based on Proverbs 22:6: "Train up a child in the way he should go, and when he is old, he will not depart from it." Preceeded by soloist Karen Cremer who presented the special music, "Lord, Let Me Live Today," Rev. Wayne Allen spoke on the subject of success in which he concluded by saying, "Success is found in knowing and doing God's will in your life." After Tim Clay, president of the senior class, presented the Class of 1977 to Mr. Clayton, the presentation of diplomas began. Mr. Clayton and Dr. Williams presented diplomas to 322 students before a crowd of over 3,000. As the graduates received their diplomas and changed their tassels, many feelings and emotions were experienced. Some of these feelings were fear, sadness, expectation, excitement, and even a combination of all of them. These feelings occurred not only among the seniors but also among their families, friends, and teachers, and will long be remembered.

There is a right time for everything:

A time to be born; a time to die;
A time to plant; a time to harvest;
A time to kill, a time to heal;
A time to destroy; a time to rebuild;
A time to cry; a time to laugh;
A time to grieve; a time to dance;
A time for scattering stones; a time for gathering stones;
A time to hug; a time not to hug;
A time to find; a time to lose;
A time for keeping; a time for throwing away;
A time to tear; a time to repair;
A time to be quiet; a time to speak up;
A time for loving; a time for hating;
A time for war; a time for peace.

Everything is appropriate in its own time. But though God has planted eternity in the hearts of men, even so, man cannot see the whole scope of God's work from beginning to end.

Ecclesiastes 3:1-8; 11
(Living Bible)

Wynn,
I'm so glad I'm going to Briarcrest this year. We'll have so much fun. Not that we haven't already. I'll never forget 76 new years celebration at my house when you got your nickname for being under tables). I think the Pelham club ought to be informed of that night. Maybe not ΔBK though. That was so funny the night of Anna Grace's party when you said, "NO NO Bobby!" I'll never forget his face. Even though we've had alot of funny times together, we also have gotten even closer by our "little" discussions. I'll never forget your parties, Rebecca's Lisa Encardona's, Jim Peterson's, mine, or all the dances at Garado. Don't forget MEOW language. Okay? It's a great talent, you know? And also be prepared w/ your automatic (female that is), Pelham watergun and be ready to initiate all people. Some day I'll tell ya about Mike but not until y'all are broken up. I know it's not true so I'm not going to let it worry me. I guess the reason we are such good friends is our unique self-likeness to booze. Remember at Des Trams when you couldn't drink coke but you couldn't resist. Now that's my good ole Pelham Pal and ΔBK cutie. I'll try not to be hard on you during pledging. Of course I can't you know. I have to take ya out on the town, pelham. Yes sir, and show ya how to live. Watch out. Your life may be in danger. I'll never forget the nite at DECEM you said you would beat the record. Hey, you never said if you did or not! Wynn, you are truely a great friend and I will really miss you when I leave for college. If you ever need anything please call me or if you ever feel you need to tell something and feel noone understands please call & I'll be over. I'll always remember you & please keep in touch. Life has been good to you & you have been good to it! You have really helped me alot when I needed someone to talk to & I hope I can do the same. I really mean that! You have become one if not my best friend & please let's keep it that way forever. I really am going to miss you next year. But on weekends this year we can still do things. OK.

ΔBK
stay as sweet as you are!

Love Ya Lots,
Vicki Hurley Curvey.

P.S. Queen Pelham of
